Refund Policy

Refunds

Refunds will be given only under the following circumstances:

1. By request of a player in writing before the first day of play of any given league. A full refund of league fees will be issued minus the amounts detailed in the section below.
2. By request of a player in writing as a result of a major injury that prevents them from playing in the remainder of the season. Such requests must be supported by written documentation from an attending physician clearly stating that the player is unable to play for the majority of the remainder of the season. No exceptions will be made. A pro-rated refund will be issued, minus the amounts detailed in the section below, based on the remaining calendar months in the season following the month in which the request is made (for example, a request in June would receive a refund for July and August). The physician's note need not accompany the refund request, but must be submitted within 2 months of the request.

Any refunds will be subject to the following deductions:
